

**§ 90-171.91. (For repeal, see editor's note) Effective date, withdrawal, and amendment.**

(a) This Compact shall become effective as to any state when it has been enacted into the laws of that state. Any party state may withdraw from this Compact by enacting a statute repealing the Compact, but the withdrawal shall not take effect until six months after the withdrawing state has given notice of the withdrawal to the Compact administrators of all other party states.

(b) No withdrawal shall affect the validity or applicability of any report of adverse action taken by the licensing board of a state that remains a party to the Compact if the adverse action occurred prior to the withdrawal.

(c) This Compact does not invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with this Compact.

(d) This Compact may be amended by the party states. No amendment to this Compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states. (1999-245, s. 1; 2017-140, s. 1.)
